SANDWICHES

All our sandwiches feature our own homemade breads, which are usually on a French roll unless requested otherwise. Other options include herbed focaccia or soft potato bread.

Served with your choice of snack chips or homemade macaroni salad. 11.50

Basic Sub (cold) or Grinder (hot)

Choice of meat (*pepperoni, Canadian-style bacon, salami, chicken, roast beef, turkey, bacon bits, or beer brats*) plus Provolone cheese, lettuce, tomatoes, onions, bell peppers and Italian dressing. If you want a vegetarian option, just ask.

Our best rendition of the well-loved Philadelphia Cheesesteak sandwich. Sliced all-natural roast beef (or turkey by request), onions and green peppers touched with Italian dressing, smothered in Provolone cheese and baked on a French roll.

Extra meat or cheese on all sandwiches, 2.50

Your choice of sliced all-natural roast beef or turkey, or grilled chicken, drenched in sweet smoky barbecue sauce and baked on a French roll with Provolone cheese. If you want to be exotic, add onions, green bell peppers and/or pineapple.

Beer Brat & Sauerkraut Grinder

Skagit Valley's own sauerkraut (we think it's the best in the world) enhances this sandwich baked on a French roll with sliced beer brats, onions, Provolone cheese and finished with Gulden's spicy brown mustard.

Meatball Grinder

Tasty Italian meatballs simmered in our best pasta sauce, stuffed into a homemade French roll with Provolone cheese and baked with mozzarella cheese on top.

AARON'S CAL-SUBS

If you can't decide between a pizza and a sandwich, here's your answer! Sandwich ingredients are baked into our freshly rolled pizza dough, then finished with fresh veggies and dressing. When was the last time your bread was baked to order around your sandwich? Served with choice of chips or homemade macaroni salad. 11.50

SAGA OF ANNIE'S PIZZA STATION

Annie's Pizza Station, family owned and operated, began in 1994 in a converted gas station in downtown Concrete. This inspired pizza names such as Diesel, Regular, Supreme and Unleaded.

(Our present location is also a former gas station.) The theme goes much deeper into the old service philosophy of early-day gas stations, when attendants took care to wash windows, hand out travel maps, and provide clean restrooms.

We take pride in using quality ingredients, freshly prepared to order. We bake all our breads and pizza crusts from scratch. Salads are prepared with hand-torn lettuces. We make our own soups and lasagnas. There is love in everything we make!

Our pizzas are baked in traditional stone-lined deck ovens, resulting in pizzas with a unique taste and texture. However, this combination of custom-made pizzas and limited oven capacity sometimes results in longer wait times than "fast food" pizzas. Be patient and we're sure you'll love the results. Phoning in your order is suggested, and reservations are encouraged for larger groups.
